

PNG People

What is the PNG Population?

The population is increasing. It will soon go past the 8 million mark. According to the <http://www.worldometers.info/world-population/papua-new-guinea-population/> web page the current population of **Papua New Guinea** is **7,916,010** as of Wednesday, May 24, 2017, based on the latest United Nations estimates. but this will vary depending on when you look at it.

Unique solution ID: #2450
