

Aviation

Are there any father - son combinations in PNG Aviation?

Yes, one of the best know are Granger and Nigel Narara from Dobu, Milne Bay province. Nigel's uncle, Timothy (Tico) also flies.

Eddie Matane was a flying spanner on the Boeing 707 and I believe his son is a pilot. I am sure there are others.

See -- <https://www.pngaa.net/Library/Narara.htm>

There would be many more on the ground as well.

Unique solution ID: #2352
